Program Overview

The Disability Travel Card is for people of all types of **permanent** disabilities who require the assistance of a support person when travelling with **VIA Rail Canada, Greyhound Canada, Coach Canada, and Motor Coach Canada**. When a cardholder presents the Disability Travel Card when purchasing a ticket for travel with one of the participating companies mentioned above, one support person can accompany them during travel for free. The person with the disability (the Disability Travel Card holder) pays regular ticket price.

The applicant must agree to follow the terms and conditions for use of the card (see next page).

A support person is an adult who accompanies a person with a disability to provide those services that are not provided by the participating transportation company employees, such as assisting the person with eating, administering medication, communication and use of the facilities. The age regulations for a support person differ with each of our partners. Please contact them directly for specific details.

The Disability Travel Card is not valid with any airlines.

The Disability Travel Card is managed and administered by Easter Seals Canada. The card does not expire.

Application Terms and Conditions

1. The application form must be submitted by a person with a permanent disability or a legal guardian on his or her behalf. If the applicant is unable to sign, a legal guardian can sign on their behalf.
2. The applicant must be a client of the authorizing health care professional/service provider. The authorized health care provider signing section C must **NOT** be related to the applicant. We do **NOT** accept medical or diagnosis letters.

6. The Disability Travel Card holder and their support person must travel on the same train or bus together in the same class of service.
7. Under no circumstances are tickets to be resold.
8. The availability of advance tickets may vary. Please contact the specific travel company in advance to inquire about ticket availability.
